Agrobiothers Laboratories declare that for the warranty of each product from Vetocanis range use either:

- inscription directly on the package, in the back-bottom of a number and/or letters code which contains general information about the expiration date or eventually the production lot.
- Inscription on the back label of the product of a logo-shaped cans with the lid open (see figure) who has written the pair << figure + M letter>> representing validity in month after first opening.

Prin prezenta Agrobiothers Laboratoire declara ca pentru atestarea garantiei fiecarui produs din gama Vetocanis, se foloseste una din metodele:

- inscriptionare direct pe ambalaj, in partea de spate-jos, a unui cod format din cifre si/sau litere care contine in general informatii despre data expirarii si eventual lotul din care provine;
- inscriptionare pe eticheta spate a produsului a unui logo de forma unei cutii de conserve cu capacul deschis (vezi figura) pe care este inscrisa perechea - cifra+literaM-, reprezentand numarul de luni de valabilitate de la prima deschidere.
